CANNOT AGREE ON WEIGHT FORFEIT

Hitch in Ogden Fight Makes It Look as if Battle Would Not Come Off.

The latest fight hope from Ogden looks as if the Sullivan-Uhohz fight is off and that the two men will not enter the ring. Just as the fight fans thought there was going to be something doing, word reaches the town that the managers of the two men cannot agree on conditions and that the show has been called up.

Manager Tom Osborne stated last evening that the fight was over the weight forfeit and that he had refused to sign under the conditions suggested by himself and Manager Guiney of the club promoting the fight. The club wanted a forfeit of \$500 for weight and appearance, but Kelly insisted that the forfeit be for weight alone. In either case either man failed to make the weight there was to be no fight and the man who did make the weight was to take the forfeit. This would not give any protection to the club, as the fight might not come off.

As a counter proposition, Osborne states that he agreed to post the forfeit for weight and appearance and then in case either man did not make weight, the fight was to go on and the fighter who reached the required weight was to be given the forfeit and the other cent of the purse, win, lose or draw. This was not agreeable to the Uhohz side.

Osborne received a letter from Neary last evening offering to come to Ogden to fight Sullivan, and it is possible this contest will be staged. The Uhohz-Sullivan bout. In the meantime Sullivan is back in the old rut, looking for someone to meet him.

POOL TOURNAMENT STARTS.

Winters Wins Opening Contest Over Seymour.

The opening game in the pool championships drew a good-sized crowd at the Los Cablin pool room last evening. The competitors were Fred Seymour and Dan Winters, the latter winning after a close contest. Seymour had a handicap of fifteen and with three to go failed to call his shot, giving his opponent a chance to run out, making the score 100 to 5. Winters was not up to his best form, although he made a spurt at the last, putting down twenty-two balls, while Seymour was within eight balls of the century mark. High runs: Winters, 15; Seymour, 12. Tonight E. A. Allen meets W. Wiscumb.

MILL CREEK BEATS MURRAY

Wins by 15 to 5 Score in Hard-Fought Game.

The football team from Mill Creek yesterday afternoon defeated the Murray team by a score of 15 to 5. It was a hard fought contest and the big crowd which assembled at the park had plenty of opportunity to shout itself hoarse in support of the husky lads who were making every effort to secure victory.

The Mill Creek team and rooters went home happy after the game, for it was the first victory of the year for their team. The Murray players are feeling mighty blue over the result, as it was the first defeat of the year. The two teams meet again in two weeks.

GERMAN GOES HOME.

Cincinnati, Nov. 4.—Title to Player Schneider was awarded to the Milwaukee American Association club in a decision reached today by the National Baseball Commission. The Detroit American League team had claimed the player, but the commission found that Detroit had forfeited its claim by a written waiver of all rights to him.

SPOKANE BEATS SEATTLE.

Spokane, Wash., Nov. 4.—Manager George Rouse of the Spokane High school football team announces his intention of challenging the North Division team in Chicago for a game to decide the high school championship of the United States. Spokane now claims the northwest championship, having defeated Seattle's high school Saturday by a score of 4 to 0.

MORRIS VICTORY IS NOW PROBABLE

ness to make the best out of a bad situation have added a lot of friends to the many he had before.

Peerless Leader Freed of the Thirty-sixth will take a day of glory to order that he may go around among his friends and either explain how it happened or receive congratulations upon his happening. The peerless has been a stranger in his own place of business for many days, which may not have been a good thing for the business. This dependent sayeth not.

Herald bulletins on the returns will be delivered to the Orpheum tonight. Patrons of that playhouse will, therefore, receive the election news promptly.

As fast as returns are received tonight they will be flashed by a telegraph on a screen in front of the Orpheum building. Those who want the news early would do well to congregate there. The news will be over by 9 o'clock, in all probability.

It was a busy day yesterday for J. B. Moreton, city recorder, and his assistants, as the final preparation for today's election were made. All the official inspectors examined all of the places, sealed the lever according to law, and delivered the keys of the machines to the judges, together with other election supplies such as tally sheets and other needed stationery.

Six warrants charging illegal registration were issued yesterday from the county attorney's office. They were placed in the hands of Deputy Sheriff Smith, but were not served. The warrants were issued in the sheriff's office last night, but may be resubmitted today.

The warrants were applied for after an investigation made under the direction of Farley Jensen, secretary of the Republican city committee, and the persons accused of having illegally registered are all members of the market committee. William H. Carter, a jeweler of 763 South Fourth East street, Louis M. Raymond of 761 South Fourth East street, Eugene Whalen of 247 South Main street and Ivy Hallman of Keyser's court are four of the men against whom warrants were issued.

It is alleged that Mr. Carter is not a citizen of the United States and that the other three have not been in the state long enough to be entitled to vote.

Chief Pitt yesterday issued orders relating to the manner in which the police force will be handled during the voting at today's election and tonight. Reports in the morning the usual shift of patrolmen will be on duty. In the afternoon there will be double shift. Chief Pitt does not expect any sort of disorders, but has issued the orders to the men as a necessary precaution.

The fifty special policemen sworn in during the day will be used in guarding the polling places.

U STUDENTS STILL LOYAL

Will Meet Football Team at Depot and Then Ask How It Happened.

The students of the university are making extensive preparations to meet the Utah team when it arrives this noon and give the players a hearty welcome. Although they were defeated by the St. Vincent's at Los Angeles Saturday, the team will arrive over the Los Angeles limited, which is due at 12:36. They will be taken to the university and given an opportunity to tell how it all happened.

There has been talk that Utah's defeat would end the possibilities of Utah's winning the Rocky Mountain championship this year. This is not the case any more than a defeat by Harvard or Yale would be, as the St. Vincent's team is not in the Rocky Mountain division.

The executive board of the A. S. U. U. met yesterday and arranged for the entertainment of the Agricultural college football team after the game next Saturday. The members of the team along with the university players will be taken to the Orpheum. Most of the seats in the house have been reserved by students for this night. A supper will be given for the two teams after the game at the university and from there the football players will be taken to the show. Arrangements are being made to decorate the house on that evening in the colors of the two schools.

HAMILTON ELEVEN WINS.

The Hamilton school defeated the Second High school eleven yesterday by a score of 11 to 0. The game was played in Liberty park.

LINEMAN IS ELECTROCUTED

In Making a Connection 5,000 Volts Passed Through His Body, Killing Him Instantly.

Provo, Nov. 4.—Frank Conover, a lineman for the electric company, was accidentally electrocuted shortly after 2 o'clock this afternoon. He was working on a transformer pole in front of J. H. Friess's store, and was connecting the wires from the pole to Mrs. Tucker's residence, when he accidentally raised up from the position he was standing in and his right shoulder came in contact with a high tension wire carrying 5,000 volts. His right foot must have caught on the lead wire or on the ground wire, causing instant death.

Roy Borne, the company's foreman, was the first to see the unfortunate man, whose body was lying across the high tension wire with outstretched hands. Mr. Borne yelled for a doctor and immediately climbed up the pole to cut the man loose. Borne secured a block and tackle, with which to lower the man, and from the ground, but being unable to lift Conover from the wire he had to loosen the safety belt, which he had to the pole, and then cutting the belt, the body was lowered onto a load of straw which had been driven under the wire, and from there lowered to the ground.

At this point Dr. Robinson arrived, and also Mr. Conover's brother Dan. The doctor immediately examined the dead man and found that his right shoulder had been badly burned and the current of electricity had passed through his body and had perforated a hole through his chest, just below the heart. The coroner called and the body taken to the undertaking parlors, where a coroner's inquest was called and Judge A. A. Conover, Assistant County Attorney Booth and three jurymen were summoned to hold an inquest. After going into the case closely and examining the pole, a verdict of death by contact with a live wire was brought in.

At the time of Mr. Conover's death his wife was out visiting and it took a half-hour to locate her. When informed of the death of her husband she was prostrated with grief.

Mr. Conover was a highly respected citizen of Provo, where he has resided for many years. He has long been in the employ of the power company and was considered one of their best men. About a month ago he quit work to do some harvesting and had returned to work a day or two ago.

A rumor to the effect that a broken wire was the cause of his death was circulated about town, but on investigation by the jury it was found that the rumor had no foundation. No blame attaches to the company, as every precaution had been taken to protect the men at work on the line.

Besides a wife, Mr. Conover leaves a son aged 8 years.
